I Love New York

THE INTRODUCTION Mary Beth's younger sister, Kristen, and Jeff's younger brother, Jason, had been friends for years and had always wanted to set up their older siblings. Ironically, it wasn't until Kristin and Jason were in a car accident together that Mary Beth and Jeff met in the hospital. **THE PROPOSAL** Originally from New York City, Mary Beth had hoped her engagement would take place there, but Jeff knew a trip to New York would be too obvious. Instead, he brought New York to Mary Beth. He transformed a friend's backyard into the city with cardboard cutouts of buildings, fake snow, the Statue of Liberty and hundreds of candles. With Frank Sinatra's New York, New York playing in the background, Mary Beth's puppy came running out in a tux and bow tie with the ring around his neck. **THE WEDDING** The reception room was transformed into an elegant oasis fit for a fairytale. **Floral Design** Blossom Floral & Event Design **Linens** Elegant Designs Specialty Linens **Rentals** Revelry Productions, Calender Dance Floors **Lighting** San Diego Stage & Lighting **Invitations** A Packaged Party Cake Briarmist Cakes **Cigars** Roller Factory **Ice Sculptures** Ice Treasures **Entertainment** Rembrandt **Celebrity Impersonators** Talent Plan **Videographer** Sharaga Studios **Transportation** Elite Image, Simply Elegant **Gown** Luxurious imported Italian silk with Swarovski crystals **Bridal Jewelry** Fantasy Jewelers, Firenze Jewels **Bridal Shoes** Stuart Weitzman **Bridesmaid Dresses** Brides by Liza **Rehearsal Dinner & Wedding Night Accommodation** La Costa Resort and Spa **Honeymoon** Tahiti **Gift Registry** Bloomingdale's, Williams-Sonoma, Bed, Bath and Beyond **THE NEWLYWEDS** The couple recently relocated to Calabasas from the East Coast.
